Dear Scrollos,
I would like to know if Zodac is evil or good.

**Tommy McGhee,
UDDINGSTON.**

This is quite a difficult one, Tommy. The answer is that he is both. He is the Cosmic Enforcer of Balance. When one group of people have everything their own way all the time, this can be a threat to freedom and honesty. Zodac helps to make sure that this doesn't happen.

Dear Scrollos,
What is the beam from Mantenna's eyes made of?

William Jessop, BOXFORD.

Actually, William, Mantenna can shoot lots of things out of his eyes as well as the beam that you mention, including bolts and mist. The beam is made from concentrated laser light. Keep out of the way if you see him coming!

Dear Scrollos,
Please tell me what Prince Adam can do really well.

**Christopher Roberts,
CLEVEDON.**

Thanks for your letter, Christopher. As you know, Prince Adam is a

leisurely sort of person when he is not performing heroic feats as He-Man. He is a very great reader and knows much about Eternian literature. He is also the champion at a very difficult Eternian card game called Nopik Nik!

Dear Scrollos,
Do you have weathermen on Eternia and what's the longest animal that lives there?

Brett Davies, GWERSYLLT.

Of course we have weathermen on Eternia, Brett. He-Man needs to know what weather conditions to expect on his voyages. The most famous weatherman on Eternia is called Mikhail Pisces. The longest animal on Eternia is a giant hairy caterpillar called a Quangzog Bug.

Dear Scrollos,
I would like to know if Kobra Khan fires his sleeping gas from his mouth or from his ears.

Greg Wallace, DOWNFIELD.

Good question, Greg. As a matter of fact he fires the mist from his mouth. Once, when the wind was blowing into his face, he even managed to knock out three members of the Horde who were standing behind him!

AS HE MAN AND TEELA FALL, WIMBLES RUSHES TOWARDS THEM ON FULL JET-POWER.

TWO FRIENDS AND CARRIES THEM

HE-MAN FIRES A BLAST FROM HIS SWORD AT A SPOT IN THE ROCK FACE...

BY THE ELDERS!

AS THE ROCK IS BLASTED AWAY, A CIRCULAR HOLE APPEARS...

AS THE HEROES LOOK UPWARD THEY SEE A BLINDING LIGHT RUSHING TOWARDS THEM...

VROOOOW!

MOLTEN LAVA!

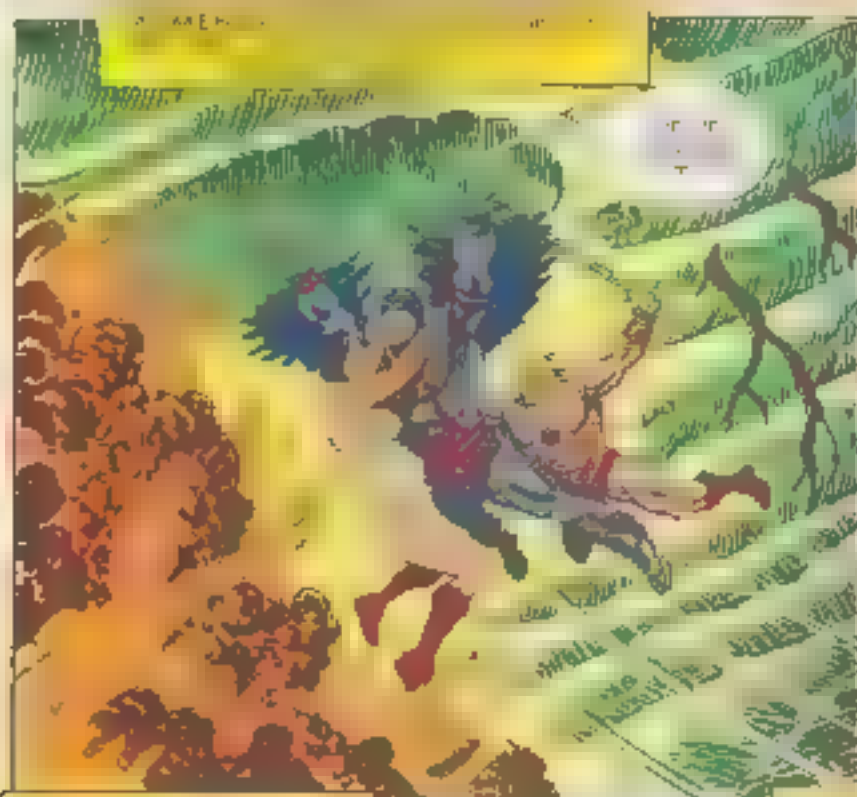

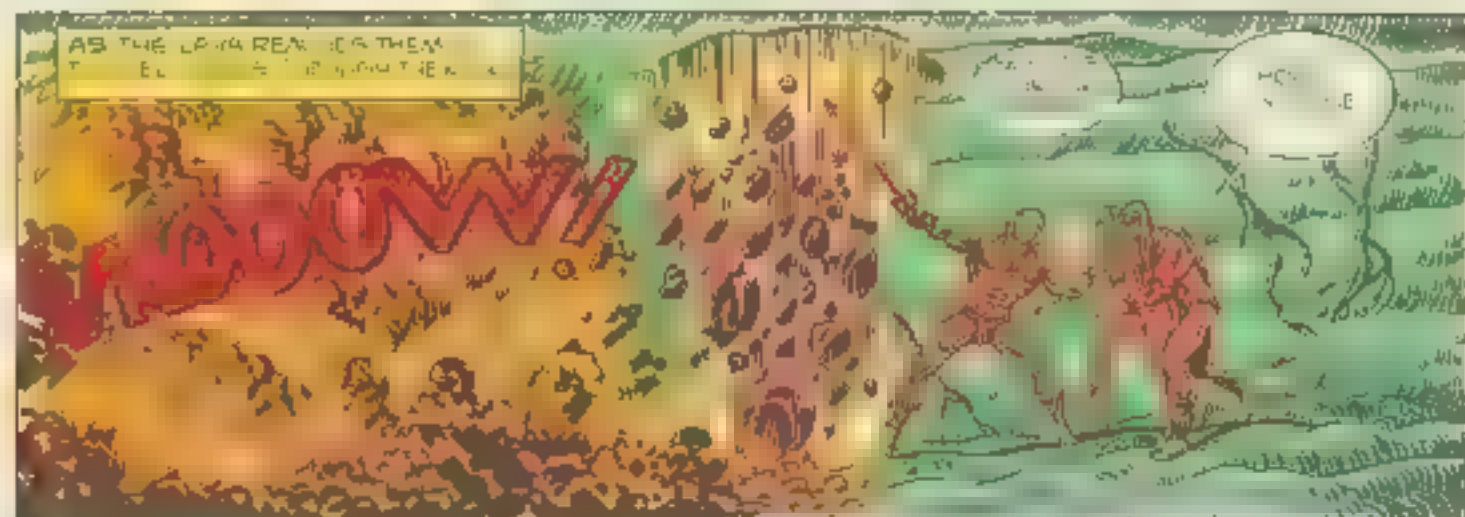

THE HEAT!

WE'RE TRAPPED!
